Clinisept+ Skin Antimicrobial Solution - 490ml

Clinisept+ Skin uses advanced hypochlorous technology to support effective skin cleansing, an ideal replacement for traditional chlorhexidine skin cleaners.

- Can be **used before and after procedures** to maintain optimum levels of skin hygiene whilst the skin recovers
- Its gentle oxidising method of action doesn't harm, sting, irritate or sensitise the dermal layer and leaves no residue on the skin

Supplied in a 490ml bottle with a pump

Only £10.50

Code	Product	Price
M1393	Clinisept+ Skin Antimicrobial Solution	£12.99
