NEW Range of Fridges from Dulas

The intuitive range of Dulas Pharmacy and Laboratory refrigerators feature built-in wireless monitoring software, enabling you to access the refrigerator's performance remotely, via the Dulas portal.

Features Include:

Advanced Controller

Easy to use touch screen controller, with no awkward buttons to press

Self-Closing Doors

Fitted with self-closing hinges to help avoid any temperature loss

Battery Back Up

Ensures your controller continues to function, even in a power outage

Forced Air Cooling

Will pause automatically when the door is open to minimise energy wastage
